

Shadman
Cotton Mills Ltd.

The logo features a stylized blue graphic above the text. The graphic consists of a small blue sphere at the top, with two curved, swooping lines extending downwards and outwards, resembling a stylized 'S' or a wave.

GENERAL INFO:

Shadman Cotton Mills Ltd. is one of the largest ISO 9002 certified textile setups in Pakistan incorporated in 1979 as a producer of top quality ring spun yarns. The group has an annual turnover of over US\$ 48 Million and a capacity to produce over 14 Million kilograms of high quality ring spun yarn maintaining over 56,000 spindles in its spinning mills.

We offer a variety of ring spun yarns with a range of natural and man-made fibers. With a consistent BMR strategy we believe in having the latest plant machinery installed by world's leading machinery manufacturers. Shadman group is a family of over 1600 dedicated employees.

Our professional management ensures only high quality products reach our clients. Our consistent efforts to maintain high standards at all levels of manufacturing have earned us a strong ethical and social reputation in the global market.
